## **Commissioners' Report**

---

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Rockingham County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of County Farm, Superintendent of Mitchell Memorial Hospital, Clerk of Superior Court, County Solicitor, Sheriff, Farm Chaplain, Farm Physician, and Auditors for the year ending December 31, 1938.

Being aware of the increasingly widespread public interest, we are making all reports as completely detailed as possible, including not only the statistics required by law, but also many others of public interest.

### **County Farm**

The Commissioners, in submitting this report, feel much gratified at the manner in which the new superintendent and matron, Mr. and Mrs. George W. Hilton, are proving their worth to the County in this, their first full year of service.

The special appropriation, made available by the bond issue, has enabled us to make many needed permanent improvements at the Farm.

The new system of bookkeeping and stock control records gives an accurate check of every expenditure. It is now possible to give an accurate estimate of exact cost of maintaining the County Farm. We believe that the appropriation should be based on a careful analysis of the known costs.

### **The Mitchell Memorial Hospital**

The Mitchell Memorial Hospital now compares favorably with the best in the State of New Hampshire. The fact that it has been approved by the American College of Surgeons is a clear indication that this Hospital is being operated in accordance with the highest hospital

standards. Credit for this should be given to our superintendent, Miss Doris E. Whitman, R.N., who has given unsparingly of her time and efforts. The Commissioners take this opportunity to express their deep appreciation of her efficient management, and to the Rockingham County Medical Association for its co-operation and assistance.

A diet kitchen is badly needed. It would greatly improve the service, and would make it possible to operate more efficiently and more economically.

### **Welfare and Relief**

The relief situation continues to be one of the major problems of the present time. During the past year the cost of direct relief has increased. This is due to a change in the State law, which compels the County to take over all cases that have had five years of relief in any town. This has resulted in the addition of 123 families to the County relief rolls. The increase in the County costs should show a corresponding decrease in the costs to the individual towns. The passing of laws to shift the burden from State to County or Town is no remedy for this situation. Whatever unit of government administers relief, it is always the taxpayer who has to pay.

### **Finances**

As may be seen by the balance sheet, the County debt has increased this year. This is mostly accounted for by overdrafts on the Farm, Hospital, direct relief, and a \$42,000.00 bond issue. However, the financial standing of the County is excellent and our credit rating is high.

We sincerely hope that we may receive the co-operation of the Delegation, and that adequate appropriations will be made to cover the known costs of County government, so that we may be enabled to operate on a

pay-as-you-go basis during the years of 1939 and 1940.

The medical needs of the institution have been cared for by Dr. Fred Fernald in his usual efficient manner.

To all those in the employ of the County, Officials of the Towns, the City of Portsmouth, to Clubs and Organizations and all who have aided in the administration of County affairs and have kindly contributed to the welfare and happiness of the inmates of the institution, we are sincerely grateful.

Respectfully submitted,

IRVING W. MARSTON,  
MAHLON C. CURRIER,  
ALVIN E. FOSS.

The jurors make complaint that the deliberation room at the Court House, Exeter, is not warm enough. There should be an additional radiator installed in that room, or a larger radiator in the place of the one now in use.

The expenses of the Superior Court for 1937 were a little over thirty-eight thousand (\$38,000) dollars, and for 1938 about forty-one thousand (\$41,000) dollars. During the present month of January, 1939, we have had a first degree murder trial, and it is estimated that the additional cost for this trial will be between thirty-five hundred and four thousand dollars.

It is recommended that the appropriation for the Superior Court for the year 1939 be forty-four thousand (\$44,000) dollars, and for the year 1940 it be forty thousand (\$40,000) dollars.

Respectfully submitted,

AMOS S. RUNDLETT,

*Clerk of Court, Rockingham County.*

Dated at EXETER, this twenty-fourth day of January,  
 A. D., 1939.

The disposition of all cases was made only after a careful study of all the facts and after consultation with the enforcement officers and with the Court.

The new Probation Law enacted by the last session of the Legislature was in force for the first time this year and your Solicitor has at all times co-operated with the Probation Officers.

I wish to express my appreciation to the Sheriff and his Deputies for their efficiency in apprehending offenders and especially in breaking up a criminal gang from out of the State which had been committing a series of crimes in our towns bordering on the Massachusetts line.

In the western part of our county numerous complaints of larceny of poultry were received. After investigation by the Sheriff's office, three people have to date been apprehended. Two of them are being held for the next April Term of Court and one of them was turned over to the Hillsborough County authorities and received from five to ten years in State's Prison. It is believed that this prompt action will have a salutary effect upon others who may be contemplating such offense.

In addition to the work in the Superior Court, assistance in prosecuting criminal cases in the Municipal Courts has been rendered when requested by the Sheriff, Town or State Police.

Legal advice has been given from time to time to various county officers, and welfare agencies when requested.

I wish at this time to commend the police and other officers of the various towns throughout the county and the State Police for their co-operation during the past year, and I wish also to express to your board and to the other county officers my appreciation for their co-operation and assistance.

Respectfully submitted,

STEPHEN M. WHEELER,  
*County Solicitor.*

EXETER, N. H., December 31, 1938.

## Sheriff's Report

---

*To the Commissioners of the County of Rockingham:*

*Gentlemen:* I hereby submit my report as Sheriff for the year ending December 31, 1938. At this time I wish to express my gratitude and appreciation to the Commissioners, the County Solicitor, my Deputies, the City Marshal of Portsmouth, his Inspector and the Police Officers, the Chief of Police and their officers of the several towns in the County, to the Superintendent, Inspectors and Troopers of the State Police, Philip Caswell, the new Probation Officer, and all citizens of our County who in any way have helped to make our County one of the cleanest counties of crime within our State.

We have had two very busy sessions of Superior Court, with the result that at the close of the October term, the docket will be nearer cleaned up than it has been for a long time. I desire at this time to thank Judge Johnston and Judge Connor, the two presiding justices of the 1938 courts, my Deputy Sheriffs, the Clerk of the Court, the Attorneys and the Jurymen at both terms for the splendid co-operation and assistance which they gave me in the Courtroom.

I also wish to express my gratitude to the citizens of the town of Rye and the Rye Beach Precinct for the assistance they have rendered this department through the use of their fine equipment and the services of their Chief of Police, A. Manning Remick, and the payment of his bond as Deputy Sheriff.

The year 1938 was probably the busiest year the Sheriff's department of our County has ever had. There were two murders committed. One of the cases was quickly disposed of. Within a few hours after having given me a signed statement as to why he committed the murder, the murderer died from self-inflicted

wounds. In the other case a man is held in the jail awaiting trial early in January. I have during the last month received the seventh confession of arson since I took office a little less than two years ago, which I believe is a record. From the statistical report that follows you will find that we have had many offenders of the law in jail, which speaks very highly for our law enforcement officers within the County.

My department is anxious, ready and willing at all times to render service for the welfare and protection of the citizens of Rockingham County. Please notify me at once as soon as you know of any loss or suspect anyone of misconduct, because the easiest time to apprehend a criminal is while the trail is hot.

I submit to the citizens of the County a list of the Deputies for 1938, the report of the County Jail at Portsmouth and a summary of the offenses for which the persons were committed to your jail.

*To the Commissioners and Citizens of Rockingham County:*

I herewith submit my annual report of Mitchell Memorial Hospital. To provide a more interesting and accurate account of some of the interests and activities which might otherwise go unnoticed, I include brief records of special interest. These records are considered by me to be of great value in recording the history and progress of Mitchell Memorial Hospital. The worth of a hospital is, in part, measured by the number of patients admitted and their successful recovery from sickness. A community is apt to register its approval or disapproval of its hospital by the admittances, while the corps of able people of the medical and nursing world prove their worth by the successful cases discharged. Following is the statistical report:

Number of patients in the hospital Jan. 1, 1938 ..	13
Total number of patients admitted during year ..	800

Out-patients (including X-Ray examination) . .	208
Medical . . . . .	255
Surgical (including T. and A.) . . . . .	212
New borns (including twins) . . . . .	54
Obstetrical (18 of these were undelivered) . . .	71
Total number discharged during the year . . . . .	570
Recovered . . . . .	268
Improved . . . . .	181
Unimproved . . . . .	43
Undelivered . . . . .	18
* Not treated . . . . .	10
*Deaths . . . . .	50
Remaining in hospital Dec. 31, 1938 . . . . .	35
Maximum number of patients in hospital any one day . . . . .	41
Minimum number of patients in hospital any one day . . . . .	15
Total hospital days . . . . .	9,747
Daily average . . . . .	26.69
Total operations . . . . .	303
Total X-Ray examinations (including out-pa- tients) . . . . .	456
Total laboratory examinations . . . . .	2,091

\*Of these 50 deaths, 8 were in hospital less than 48 hours, 1 less than 24 hours, and 2 less than one hour.

County patients . . . . .	390
Town patients . . . . .	107
Private patients . . . . .	303

Through the splendid co-operation of the Commissioners, I was able to complete and equip the much-needed laboratory and secure the cubicles for the children. By cubicles, is meant a glass partition which enables us to keep each child in an individual compartment. To further the feeling of co-operation and fellowship among our physicians and the nursing corps, I felt the need of a room adequate in size; whereby, we

could hold meetings once a month to talk over the problems of interest to all concerned. To provide for such a requirement, the space which had been reserved for the ambulance was converted into an attractive staff and recreation room.

I hereby express deep appreciation and grateful acknowledgement of gifts from our interested friends. The gift of a Westinghouse radio from the auxiliary of Rockingham County Medical Society is a welcomed addition to our recreation room. The gift of a piano from Wayne P. Bryer, M.D., adds much to the pleasure and enjoyment of all. Also, the gift of subscriptions of magazines given us by Mrs. Corning Benton furnishes relaxation. To Donald W. Leonard, M.D., is given the credit, appreciation and thanks for the portraiture of the Medical Profession, which enhances the beauty of the walls of our recreation room. Last, but not least, I wish to mention the interest William MacLean, M.D., has in our laboratory. The white rats furnished by him for experimental purposes have proven both instructive and interesting.

Before closing my report, I wish to make known the fact that the Mitchell Memorial Hospital has been approved by the American College of Surgeons, which places it on the lists of approved hospitals as meeting all the requirements of the International Hospital Service.

The support and co-operation of the County Commissioners, Physicians, and the entire group who are in any way connected with the hospital is deeply appreciated.

Respectfully submitted,

DORIS E. WHITMAN, R.N.

## Chaplain's Report

---

The Chaplain has conducted services regularly twice a month, Sunday afternoons, throughout the year. At the majority of these services special instrumental and vocal music has been rendered by Mrs. Boardman and Dorothea, and by Mr. Blaisdell, Carroll Coffin, and others. The young people of the Brentwood Baptist Church generously repeated for the benefit of the inmates of the County Farm, the pageants, at Easter and Christmas, previously given at the church. This has been done for several years past, and the inmates seem to appreciate it very much.

The Chaplain, as also Mrs. Boardman and Dorothea, has made calls on various inmates from time to time, singing gospel songs, having Scripture reading and prayer, and having personal interviews.

The Chaplain has called also, as have Mrs. Boardman and Dorothea, on patients in the Mitchell Memorial Hospital.

Respectfully submitted,

WALLACE S. BOARDMAN, *Chaplain.*

BRENTWOOD, N. H., January 26, 1939.

## Physician's Report

---

*To the Honorable Board of Commissioners of Rockingham  
County:*

It gives me great pleasure to report to your board the fact that everything has run along very smoothly at the Infirmary at the County institution for the past year.

There has been a great deal of sickness of the very old and feeble, requiring a lot of nursing and care.

The Infirmary has been full most of the time. The sanitary condition of all the buildings is very good. I wish to express my appreciation for the help and many personal courtesies from the Board of Commissioners and from Mr. and Mrs. Hilton and all the nurses and every employee.

Very respectfully,

FRED FERNALD, M.D.

January 1, 1939.
